THE STATE OF NEW HAMPSHIRE

SCHOOL WARRANT

To the inhabitants of the School District in the town of Swanzey qualified to vote in district affairs:

You are hereby notified to meet at the Town Hall in said district on the eleventh day of March 1952, at 8 o'clock in the afternoon to act upon the following subjects:

1. To choose a Moderator for the ensuing year.

2. To choose a Clerk for the ensuing year.

3. To choose a member of the School Board for the ensuing three years.

4. To choose a Treasurer for the ensuing year.

5. To hear the report of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.

6. To choose Agents, Auditors, Committees in relation to any subject embraced in this warrant.

7. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the state equalization fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.

8. To see if the district will raise and appropriate the sum of one hundred seventy-five thousand dollars ($175,000.00) for the purpose of constructing on the so-called Downing lot owned by the Swanzey School District an elementary school building; and in order to provide such funds to authorize the school board to issue and sell notes or bonds in the name of and on the credit of the district under and in accordance with the provisions of Chapter 5 of the Laws of 1951 and the Mu-

nicipal Bond Statute and any amendments relating thereto; and to delegate to the school board authority to fix the time and place of payment of the principal and interest of said notes and bonds, the interest thereon, and the principal amount of each note or bond, and to sell the notes or bonds, and to take such other action with respect thereto as may be necessary or advisable.

9. If the preceding article is adopted, to see if the district will raise and appropriate the sum of thirteen thousand nine hundred forty dollars ($13,940.00) for the purpose of paying the principal and interest due during the school year 1952-1953 on the loan for the new elementary school or act in any other manner thereon.

10. If Article 8 is adopted, to see if the district will authorize the school board to re-finance the outstanding school district indebtedness.

11. To see if the district will continue the present building committee to supervise the construction of the new elementary school and authorize the school board, acting on the advice of the building committee, to execute any and all contracts or agreements necessary, proper and advisable in connection with this construction and to purchase equipment and furnishings for the building or take any action thereon.

12. If Article 8 is adopted, to see if the district will authorize the school board to sell the Hopkins School and the East Swanzey School or take any action thereon.

Given under our hands at said Swanzey, this thirteenth day of February 1952.

EDWARD J. HANNA, JR.,
THEODORE H. MOE,
LEE D. BOWMAN,
School Board.

REPORT OF CUTLER SCHOOL LUNCH PROGRAM

The year 1951 has been another successful one for our lunch program, both financially and in benefits derived by the children.

In March it became necessary to advance our price per meal to twenty-five cents. This was due to a second cut in our reimbursement from the United States Department of Agriculture and rising food and labor costs.

During the summer, the district installed a three compartment sink, which replaced a small one that had proved inadequate for the present volume of dishwashing. This new sink has added greatly to the efficiency of the washing operation and provides for a more sanitary method of dishwashing. In August the program purchased a 30 cubic foot freezer. This too, has added to the effectiveness of our program by increasing our buying power. It is now possible to buy perishables in larger quantities, freezing them until they are to be used, thus allowing us to take advantage of lower prices.

Mrs. Irma Leavitt was unable to return when the program reopened in September. We were fortunate to secure the services of Mrs. Cecil Plummer to fill the vacancy. Mrs. Ruth Caswell has assisted in the kitchen throughout the year.

In October the program, in conjunction with the programs of East Swanzey and Wilcox Schools, was host to the Monadnock Region Food Service Association for their fall meeting held in our lunchroom.

During the year, we have served 13,991 Type "A" meals, 767 of which have been free or at reduced cost to those unable to pay the full price. We continue to serve approximately 50 per cent of our school population.

Again we wish to express our thanks to our community for their continued help and support. The aim of this program is to better serve the children of this community and any aid which we receive goes directly for their benefit. May we extend a cordial invitation to all interested persons to visit our lunchroom at their convenience to see our program in operation.

REPORT OF EAST SWANZEY SCHOOL LUNCH PROGRAM

The lunch program started again September 10, 1951 with 43 pupils participating. The cost was increased to twenty-five cents a meal for the type "A" lunch.

Mrs. Willard continued as cook and it is through her efforts and interest that the meals have been so much improved this year. She has given many special items, including meat for several meals, and her work is sincerely appreciated.

To the ladies who have helped as volunteers, and to those who have given vegetables and other foods, we wish to express our appreciation.

The Parent-Teacher Association voted to give the program $80.00. Originally a loan, that sum of money made it possible for the program to show a small balance at the end of the year instead of the expected deficit. They have our sincere thanks for the help.

The Community Club most generously continues to provide kitchen and dining room facilities. To these, in October, the school board added an excellent 11 cubic foot refrigerator making it possible to store milk and other perishable foods safely.

There have been no groups sponsoring lunches during the present school year. That has limited the number of pupils participating, although some free or part-paid lunches are served. The present participation in the program is 38% of the total school enrollment.

ALICE E. READ,
Principal of East Swanzey School.

The School Lunch Program, which is sponsored by the Wilcox Parent-Teachers Association, has experienced its third successful year. A Type A lunch was served to the pupils of the school beginning October 2nd, 1950 and continuing through June 8, 1951.

During the year we served 5,384 meals to the children. 797 of these meals were served free to children who, through no fault of their own, were unable to pay. Throughout the year, we were able to operate at the same price of twenty cents per meal despite increasing prices. All except three children, who go home for lunch, participate in the hot dinners at the present time.

We are deeply indebted to Mrs. Jennie Talbot for the success of our program. Mrs. Talbot is our very efficient cook and manager of the dining room.

The Wilcox Parent-Teachers Association deserves our gratitude for its continued support and cooperation. We wish to thank all other members of our community for their generous donations of food and labor. To the school board we extend our appreciation for its help and interest.

REPORT OF SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Swanzey:

I have the honor to submit my fifth annual report.

Teachers: There are four new teachers at the Cutler School. Mrs. Stella Kiritsy, a graduate of Keene Teachers College, was engaged to teach the second grade. Mr. Roger L. Sundstrom was elected to the seventh grade position replacing Mrs. Mary Bergeron who resigned to accept a position in Keene. Mr. Sundstrom is a graduate of the University of New Hampshire and has also had a year of study at Keene Teachers College. Upon the resignation of Miss Martha Rand who accepted a position at Plymouth Teachers College, Mrs. Eileen Duchesneau was elected to the first grade position. Mrs. Duchesneau is a graduate of Keene Teachers College. Mrs. Anne V. Luoma, also a Keene Teachers College graduate, was elected to the third grade position vacated by Mrs. J. Irene Reynolds who accepted a position in Keene.

Buildings and Grounds: At the last annual meeting of the Swanzey School District it was voted to have the School Board, acting with the special School Building Committee, select and purchase a suitable site for a new central school with acreage sufficient for playground space and future expansion. After serious consideration and deliberation, the Building Committee voted to purchase the Downing site. This level tract of land, comprising 15.6 acres, is an ideal site for a new school building.

Following the acquisition of the land, the School Building Committee interviewed architects at the Wilcox School. John Holbrook of Keene was finally selected as the architect to draw up the plans for the new school. To date, the plans have progressed most favorably and will be ready for action by the district at the annual meeting in March.

The School Building Committee has been most faithful to the task entrusted to it. The citizens of Swanzey will be interested to note that the building committee met twice in 1948, three times in 1949, six times in 1950, 12 times in 1951 and once to date in 1952, a total of 24 meetings. As the citizens of Swanzey know, these meetings had to do with the Cutler School addition and the proposed new school in Swanzey Center.

Enrollment Trends:

POSSIBLE FUTURE FIRST GRADE ENROLLMENTS

(Data Taken From School Census Cards)

School	1952	1953	1954	1955

Wilcox	5	9	14	6
Westport	4	5	6	5

The people of Swanzey will undoubtedly be interested in the possible future enrollments in the three parts of the town from which pupils will go to the proposed new school. It is impossible to predict accurately just what the enrollments will be during the next four years. The figures are only as accurate as the census enumerators who supplied the data. Again, families move in and out of town and the figures will change from year to year. However, by projecting the number of pre-

school children now shown on the census cards on the grade table printed above, at least an indication of future enrollments may be secured.

COMPOSITE OF THE ABOVE THREE TABLES

1952-1953	32	35	33	25	25	22	18	21	211

1955-1956	31	41	41	32	35	33	25	25	263

It is dangerous to use the figures in the above tables as factual. They assume that the pupils will all be promoted from year to year and that all will remain in school from grade 1 through grade 8. They assume also that all the pupils will continue to live in Swanzey, none will drop out of school and no newcomers will be added.

Nevertheless, recognizing their shortcomings, the figures do present an interesting picture. They indicate a leveling off at East Swanzey at between 91 and 96. North Swanzey and Swanzey Center show a steady increase.

That the Swanzey School Building Committee is planning sensibly and realistically is shown by the composite table. Even with the top enrollment of 263, the average enrollment per grade in an eight-room school is 33.

The proposed new eight room school with combined cafeteria-auditorium is ideal for Swanzey's present needs. The Hopkins School can no longer adequately house eight grades. As you know, we now are forced to transport grades 7 and 8 to the Cutler School. It appears now that next year grade 6 will also have to be transported.

We are able to handle the enrollment at East Swanzey only by making use of the library room in the Community Building.

The proposed new elementary school will solve these problems. Moreover, it must be remembered that better instruction for the boys and girls of Swanzey will be a result. It is axiomatic that a teacher can do more for her pupils when she is teaching one grade than when she is teaching two, three or four grades in one room. It is to be hoped that the voters of the Swanzey School District will recognize the benefits to be derived by the youth of Swanzey in a new modern elementary school.

In conclusion, I wish to express my appreciation to the teachers, pupils and parents, to the School Board, to the School Building Committee and to the patrons of our schools for their cooperation.

Respectfully submitted,

January 19, 1952, CHESTER C. LEES,
Winchester, N. H. Superintendent of Schools.
